**Comments:**

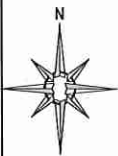

- Work will take place between 7am and 5pm *6pm*
- While work takes place in the north bound / west bound lane at the intersection of Unsworth and Keith Wilson traffic will be single lane alternating in the south bound / east bound lane
- "No Parking" signs will be placed where needed prior to work beginning
- Tcps will be aware of pedestrians and cyclists at all times
- All signs and traffic control devices are to comply with MOT Manual for Work on Roadways

Traffic Signals will be shut off in order to allow TCPs to move traffic through intersection, giving priority to higher volume traffic and Emergency Vehicles. Pedestrians Traffic Of high priority as cross walk signals will not be active.
