

Four-Way Stop Signs are located as shown; signs will remain in place until final pave

Proposed "No Truck Route" signage on Chilliwack Central. Semi trucks with trailers will not be able to turn left heading south onto Prest due to the location of the hydro pole and guy line.

Asphalt Surface

Legend

-  Delineator
-  Hydro Pole & Guy Wire
-  No-Post Barriers

Date: 06-09-2020 **Project:** Prest & Chilliwack Central Roundabout **Drawing #: 1**
Title: Hydro Pole Location - General Signage and Traffic Flow Plan

Comments:

- Hydro pole relocation as shown
- Barriers and delineators will be placed around the pole and guy wire
- Trucks will not be able to turn left heading south onto Prest from Chilliwack Central; "No Truck Route" signage in place beginning at Annis Road
- Prior to paving, traffic will be required to drive on gravel road surface, which will be regularly maintained by Jakes Construction
- Signs and spacing as per Traffic Management Manual for Work on Roadways
