**Date:** 06-09-2020 **Project:** Prest & Chilliwack Central Roundabout **Drawing #:** 2B  
**Title:** Single Lane Alternating Traffic Plan for Roundabout Paving Prep

- Comments:**
- Moving work zone at each corner of the intersection - only one lane closed at a time
  - TCPs to control each leg of the intersection
  - Prior to paving, traffic will be required to drive on gravel road surface
  - Jakes Construction will be responsible for regular maintenance of the gravel surface
  - Signs and spacing as per Traffic Management Manual for Work on Roadways
