

Traffic Management Plan (TMP):

Project Supervisor: Sam Dean

Health and Safety Representative: Amy Chou

Person Completing TMP: Amy Chou

Date of Plan: July 10, 2014

Date of Plan Review: July 21st 2014

Work Site: Near 46520 Thornton Road Chilliwack

Traffic Control Plan:

Safety:

- Signage of Notification of Road Closures will be posted in Advance Warning Area (2Km before Worksite) Notifying Drivers of Road Closure.
- Signage will read:
-“Thornton Road Closure July 14th at 7:00am – Aug 31st 2014 at 5:30pm. Please use alternate route”
- Concrete Barricades will be used on both sides of work zone to ensure employee and public safety.
- Detour Signage will be posted to use Extrom Road as Detour Route.
- It is Project Managers responsibility to ensure signage is in place every morning.
- “Traffic Control Manual for Work on Roadways” will be kept in safety binder on site.
- Safety Coordinator will follow up on July 21st and review (TCP) or if necessary an earlier review will be completed. Safety Coordinator will make changes if necessary.
