

WHISSELL WASTE SOLUTIONS BC LTD.

DRYWALL/ASBESTOS WASTE DECLARATION AND ACKNOWLEDGEMENT FOR BAILEY SANITARY LANDFILL

Customer Name: Joe's Drywall Contracting

Vehicle Licence Plate #: 3456AB Bin/Bay # 11

Address of Material origin: 2468 Main Street, Chilliwack (Unit/House Number, Street Name, Municipality)

Weigh Scale Ticket #: 160415

The Customer declares and verifies that materials in this load include (check only one):

- Checked: Date-stamped board (1990 or newer), brand new trimmings, trimmings without texture coating or joint compound.
Non-checked: Non-date stamped board, date-stamped pre-1990, or a mixture of date-stamped and non-date stamped board with analytical results that are less than five months old or board following an abatement project with a Hazardous Materials Risk Assessment report from a Qualified Person indicating that the material does not contain asbestos.
Non-checked: Drywall that is not date-stamped, date-stamped pre-1990, or that has been confirmed to contain asbestos.
Non-checked: Other confirmed or potential asbestos containing material (non-drywall).

Representations and Warranties:

The Customer acknowledges that delivery and dumping of undisclosed asbestos containing material poses a serious health risk to workers that handle and process the material.

By signing this form, the Customer agrees to accept full liability for all costs incurred by Whissell Waste Solutions BC Ltd. and the City of Chilliwack that result from an incorrect declaration regarding the origin, date and content of the material, and acknowledges that non-compliance may also be subject to a minimum \$500 fine per load plus the cost of clean-up by an abatement company, if required (Solid Waste Management Bylaw 2019, No. 4660).
