GENERAL NOTES

- All traffic control shall conform to the TCN and the latest catalogue for Standard Traffic Signs
- Signs shown are representations of signs only and the MOTI Construction Sign Catalogue should be used for detailed sign design
- Dimensions shown are in meters and are the minimums except as otherwise indicated
- All permanent signage that will conflict with this site will be covered or removed while the works are in effect
- Active Work Zones and Hazards shall be delineated to protect workers and the travelling public
- Maximum distance between advance warning signs should be 10m
- Tubular markers and signs will be double based and well secured during windy conditions
- Distances may be adjusted due to urban block length
- These pages are best printed on a Tri-fold (11x17) page size
