TRUCK ROUTE

**SNOW BLANKETS
SIMULATED SNOW**

An aerial photograph of a city street intersection. The street runs diagonally from the top-left to the bottom-right. On the right side of the street, there are three rectangular white areas representing snow blankets. On the left side, a series of green dots along the sidewalk represent Christmas trees. A crosshair is placed at the intersection. A parking lot with several cars is visible in the bottom right. Buildings of various sizes and colors line the streets. A large tree is on the right side of the image.

CHRISTMAS TREES
6 - 8 pcs
6 ft TALL
4 ft WIDE
