**GENERAL NOTES:**

- All traffic control shall conform to the MOTI Traffic Management Manual for Work on Roadways 2020
- Signs shown are representations only and the MOTI Catalogue of Standard Traffic Signs should be used for detailed sign design
- Dimensions shown are in meters and are the minimums except as otherwise indicated
- All permanent signage that will conflict with this site will be covered or removed while the works are in effect
- All temporary signage will be covered/removed while the works are not in effect
- Active Work Zones and Hazards shall be delineated to protect workers and the travelling public
- Tubular markers and signs will be double based and well secured during windy conditions
- These pages are best printed on a Tabloid (11"x17") page size

**DRAWING SPECIFIC NOTES:**

- TCPs to assist/direct pedestrians around the work area
- TCPs to assist vehicles in/out of driveways/accesses
- Sign distances adjusted as per Sec. 4.2.8 of the TMM
