- GENERAL NOTES:**
- All traffic control shall conform to the MOTI Traffic Management Manual for Work on Roadways 2020.
 - Representations only and the MOTI Catalogue of Standard Traffic Signs should be used for detailed sign details.
 - Dimensions shown are in meters and are the minimums except as otherwise indicated.
 - All permanent signage that will conflict with this site will be covered or removed while the works are in effect.
 - All temporary signage will be covered/removed while the works are not in effect.
 - Active Work Zones and Hazards shall be delineated to protect workers and the travelling public.
 - Tubular markers and signs will be double based and well secured during windy conditions.
 - These pages are best printed on a tabloid (11"X17") paper size.

- DRAWING SPECIFIC NOTES:**
- Downstream taper adjusted to accommodate intersection.
 - Sign distance adjusted as per Sec. 4.2.8 of the Temporary No Parking Signage to include date, time, & contact information.
