The figure is an aerial photograph of a residential neighborhood in Chilliwack, BC, showing the intersection of Teskey Road, Kermode Crescent, and Stoneview Drive. The map illustrates the traffic control setup for a trenchless construction project. Key features include:

- Streets:** Teskey Road, Kermode Crescent, and Stoneview Drive are clearly visible.
- Construction Zone:** A central area at the intersection is marked with a red "NO PARKING" sign and a "MIN 3.2 M LANE" label.
- Traffic Control Equipment:** Various signs and equipment are placed along the roads, including "CONSTRUCTION" signs (C-018-1A), "SINGLE LANE TRAFFIC" signs (C-030-B), and "PREPARE TO STOP" signs (C-029).
- Distances:** Distances of 40 M and 30 M are marked along the roads to indicate the placement of signs and equipment.
- North Arrow:** A north arrow is located in the top right corner of the map.
- Other Features:** A "5 M TAPER" is indicated on Kermode Crescent, and a "TCP'S TO SLAT" sign is placed near the intersection.
