CONTRACTOR: Graham Construction

DATE: October 29, 2025

CLOSURE DATES: TBD

CLOSURE TIMES: TBD

CLOSURE PURPOSE: Pole replacement and maintenance

AUTHOR: Sarah Sutherland

DWG NO: 29102025GRA-001

REV NO.00

CLOSURE LOCATION: Prest Rd between McGuire Rd and Bailey Rd

CLOSURE DESCRIPTION: Northbound Single lane alternating closure on Prest Rd and McGuire Rd

NOTES:

-Traffic plans based on a 60km/h speed zone

-Traffic specifications based on the Traffic Management Manual for Work on Roadways(2020)

-Driveway access to be maintained at all times

-Existing lane alignment to be reinstated at the end of each shift

-Device placement and on-going maintenance to be completed by qualified personnel

-Contractor has been notified of the Worksafe BC Occupational Health & Safety Part 18 and it is the contractors responsibility that all workers are in compliant

-Plan to be reviewed prior to work and of any changes are noted, a new risk assessment is to be competed and noted on the FLRA or equivalent

TMM Sec.18 (Click Here)

The diagram illustrates a traffic management plan for a single-lane alternating closure on Prest Rd and McGuire Rd. The intersection is shown with Prest Rd running horizontally and McGuire Rd running vertically. A green shaded area indicates the closure zone on Prest Rd, extending 30m north and 30m south of the intersection. Various traffic signs and stands are placed along both roads to manage traffic flow and safety. Distances between signs and stands are marked in meters. The plan includes a legend, project details, and notes.
