

WHISSELL WASTE SOLUTIONS BC LTD.

**CONSTRUCTION & DEMOLITION WASTE DECLARATION AND ACKNOWLEDGEMENT
BAILEY SANITARY LANDFILL**

Customer Name:

JS Construction

Address/Origin of C&D Waste:

2468 Main Street, Chilliwack
(Unit/House Number, Street Name, Municipality)

Vehicle Licence #:

3456AB

Weigh Scale Ticket #:

160451

Verification:

The Customer declares and verifies that:

- Waste in this load does not include asbestos or other hazardous materials.
- If the waste in this load was generated by a contractor performing a renovation or demolition, a Hazardous Materials Risk Assessment report was completed by a Qualified Person indicating that the material does not contain asbestos and is available upon request.

Representations and Warranties:

The Customer acknowledges that the delivery and dumping of undisclosed hazardous materials, such as asbestos containing material, poses a serious health risk to workers that handle the waste.

By signing this form, the Customer agrees to accept full liability for all costs incurred by Whissell Waste Solutions BC Ltd. and the City of Chilliwack that result from an incorrect declaration regarding the origin and content of the material, and acknowledges that non-compliance may also be subject to a minimum \$500 fine per load plus the cost of clean-up by an abatement company, if required (Solid Waste Management Bylaw 2019, No. 4660).
