

Artist Callout: Organic Art in Parks

The City of Chilliwack is seeking an artist or artists to create organic art pieces in six parks. The organic pieces would be placed on City-owned light or sign poles and would enhance the beauty of the surrounding area. The pieces should look organic, while being durable in inclement weather.

The six locations that will host these art pieces include:

- the Landing,
- Vedder Park,
- Central Community park,
- Kinsmen Park on Portage,
- Townsend Park, and
- Yarrow Community Park.

The photo above is meant to provide a conceptual idea of project scope.
