NEW CURBSIDE COLLECTION PROGRAM

The City's new curbside collection program begins May 1, 2026, with a new contractor, Environmental 360 Solutions (E360S). The City will switch to fully automated collection of garbage, recycling, and compostable waste using standardized carts. A curbside collection program guide and a new calendar will be provided to all residents when the new carts are delivered in **spring 2026**.

Compostable waste (combined food, food-soiled paper, and yard waste) will continue to be collected **weekly**.

Recycling will be collected **bi-weekly** (once every two weeks), alternating with garbage.

Garbage will continue to be collected **bi-weekly** (once every two weeks), alternating with recycling.

Glass will be collected manually **once per month**, at the same time as flexible plastics.

New! Flexible plastics (plastic bags, overwrap, crinkly food packaging, etc.) will be collected manually **once per month**, at the same time as glass.
